October 3, 2019

1 Supplemental information from the user study

This material includes a result from the user study, shown in Figure 1 to Figure 6. In each figure, the top row shows the Task 1 result, the middle row shows the Task 2 results, and the bottom row shows the Task 3 results. Also, (a) column shows Manual Operation and w/o Paint Feature method, and (b) column shows results from Our Method.
